

## Around the Course

Well sadly, the golf season is starting to wind down, the days are shorter and the holes seem longer. However the October weather thus far is holding up. Debra has guaranteed at least 10 great golfing days this month. So don't pack away those clubs just yet. Nothing beats fall golf with the colors changing and looking for that new Titleist in all those pretty leaves!

Big shout out to Chester's Robinson Cup Team who brought home, (and left it here) the 2018 Robinson Cup! Captain Dave Hiltz worked hard to put together a scrappy underdog team that surprised and outworked the Bluenose and Osprey Ridge teams. Chester won 14.5 points out of a possible 18. Great playing guys!

The 2019 event will be hosted by Osprey and Bluenose so the guys will have their work cut out to defend the Cup.

From Left to Right: Joe Burry, Alex Nemeskeri, PJ Cowan, Jon Richardson, David Hiltz, Nic Richardson, Andy Ernst, Lyndon Rafuse, Ross McNeil, Kyle Rafuse, Dan Fraser, Todd Gates.

## **Home On the Range**

The Driving Range and Back shop will both be closing on October the 26th. Carts will still be available to rent, but please make arrangements to pick up your clubs if you store them with Bruce and crew. The last day to perfect your slice will also be that Friday afternoon. Thank you for supporting the backshop and we look forward to scrubbing those clubs again in 2019!

## **FROM THE KITCHEN...**

The restaurant would like to thank all of our members for another wonderful season. We have had an incredibly busy year that saw many challenges, and we thank everyone for their patience and continued support. Our closing date this year will be Sunday, October 21. We invite everyone to come visit once more before we close for the fall. We will be running a shortened menu until our final day, but not to worry, loads of delicious options still remain. Reservations are available for the 21st; please call the clubhouse if you are interested in booking a table. Please note that the restaurant is closed for a private function on Saturday, October 20th. We hope to see you in the coming weeks, and look forward to serving you again next season!

## **Course Maintenance**

This month at Chester Golf Club, we will be aerifying the greens on.....MONDAY, OCTOBER 22nd. We will be closed all day so the crew can complete the job and make sure we have great greens for the spring. Thank you for your cooperation.

## **Mailbag**

Question: When will the course be closing???

Answer: At some point this season. Most likely around the middle of November.

Question: Do my credits carry over into next season??

Answer: No you're good. Unless we have a rocking Christmas staff party your credits will still be there in 2019.

Question: What's the weather like there?

Answer: Really? Look out your window. It's probably the same.
