

May 15<sup>th</sup>, 2020

Good morning from the Chester Golf Club,

Yesterday we had some good news we all have been waiting for. The Province of NS under the direction of Public Health has eased the restrictions for golf courses to open. We intend to open as soon as the needed safety precautions are in place. We must wait until then to ensure the safety of all of our members and guests as well as the safety of our employees. You may have noticed in an email this week or on our website today that we have outlined that plan. We are reviewing any further details from Public Health to see what further directives we must abide by. Once we are satisfied that we meet those directives we will announce a start date and release tee times for booking. We thank you for your patience as we complete these final steps to finally get our season underway. If you have further questions please contact us at [inquire@chestergolfclub.ca](mailto:inquire@chestergolfclub.ca).

Looking forward to seeing you on the links!

The Executive Committee on behalf of the Board of Directors.
