

June 1, 2020

Good Afternoon Members,

The Chester Golf Club is thrilled to share the news that we are preparing for a soft opening of the Clubhouse on Friday, June 5th. At that time, the Clubhouse will offer service through the bar window, **only**. Services will be offered at the window from 9am to 5pm, daily, except for days with inclement weather. The cart will also be activated June 5th; hours will be weather dependent.

Here is what to expect:

- Canned beer, caesars, coolers, ciders
- Pop, Gatorade, juice, water
- Coffee and tea
- Sandwiches and hotdogs
- Chips, chocolate bars, peanuts
- Assorted baked goods – all homemade!

We ask that you please respect social distancing regulations. There will be marked areas near the canteen window to ensure safe distances are maintained. At the time of opening, our preferred methods of payment will be credit card, debit, or charge to member house accounts (if they have been activated). We prefer not to take cash if possible, in order to minimize contact.

We are very excited to see you all and hope to offer expanded services in the near future.

Thank you on behalf of the Management.
