Dear Chester Golf Club Member

Your Board of Directors established a Sub Committee in late 2019 to conduct a full review of the Chester Golf Club Tee Time Booking policies and procedures. The Sub-Committee met several times in late 2019 early 2020, conducted an extensive assessment of both Member and Green Fee Guest tee time usage for the past seven years and presented its recommendations to the Club's Board of Directors in February 2020. The following new Tee Time Policies were approved by the Board and are now in effect.

Club Members will be limited to booking one tee time within every six-hour timeframe. One tee time is defined as 1 spot, a twosome, a threesome or a foursome. Our new Chrono Golf system includes this restriction.

Member Tee Booking No Shows. The Club has had a long-standing policy in place and this policy has been communicated each year to Club membership, example, Annual Member Handbook. Existing

Policy is as follows, Members who do not show up for times without notifying the Pro Shop within a reasonable time, minimum of 1 hour, will be given two warnings in writing by Staff. In the event a Member continues failing to give notice of cancellation, they will receive a letter from the Club giving notice of loss of advance booking privileges for a period of one week.

It is very important to note that Members add their Guest's names to their reservations when booking a tee time. This can be done in directly in Chronogolf. or by calling the Pro Shop no later than 6 hours prior to the tee-time.

We thank you for your continued support.

The Management,

Chester Golf Club
