Meeting ID: 646 640 5696

Passcode: 332666

Given the size of our membership it is difficult to manage interactive discussions, therefore, all participants will be muted during the meeting in order to ensure we can manage the time and the AGM agenda.

When called upon by the moderator, participants can contribute to the meeting by using the CHAT feature in Zoom. This will be particularly useful when the Nominating Committee calls for any additional nominations from the audience for Board positions.

In order to ensure we have a productive and efficient meeting, all AGM material was added to our website last week under the NEWS/Annual General Meeting section. As a reminder, any questions you have must be provided in writing to memberservices@chestergolfclub.ca in advance of the meeting but no later than August 23rd. This will ensure everyone's has an opportunity to ask questions and more importantly, the Board, Management or Committee representative has adequate time to consider the question and prepare a complete response. We we will not be taking questions during the meeting.

Voting

During the meeting participants will be asked to vote on AGM business such as the new Executive, proposed fee structures for membership and the rates for green fees. The moderator will advise when the voting will commence and participants can indicate their choice by selecting yes or no. You can vote multiple times however the vote recorded last is the one recorded by the system.

Proxy forms

We want to encourage everyone to attend this meeting but for those who cannot, we ask that you complete the Proxy form. There is a link below, paper copies in the Pro Shop and another link embedded in the website under the News/Annual General Meeting section.
