We are just doing the final tabulations of what we raised for Breast Cancer Research. The Treasurer will announce the final number after the dust settles, but we can tell you we exceeded our goal of \$2,000.

Thank you to our dining room staff (cooks, servers, Satrina and Meagan). Lunch was delicious and we truly appreciated your efforts. The cookies with the pink Breast Cancer logo was a lovely touch!

Thank you also to Satrina who encouraged her suppliers to donate prizes to our event so that every team won a prize and the secret golfer got an extra something! You are the best Satrina!

The Pro shop did a great job for us also and we heard there was some shopping happening during the dy.

We thank you for all the support, donations and for playing in the tournament. See you at the next Chester Women's Division Golf for the Cure.
