

Presidents Report Women's Division May 2021

As the 2021 golf season gets underway, the effect of the pandemic on CGC members playing freedom will go down in history. We can only hope, all members residing outside the Municipality of Chester will resume golfing sooner than later.

The Women's Division is moving ahead with the following:

- Anyone who chooses to participate for 9 or 18 holes on Tuesday Mornings is welcome to enter a "Bubble Team." Please message the monthly host (see Women's Division Tuesday Schedule on Chester Golf Course website) and indicate your Bubble Team.
- Women who do not have a bubble team will email the monthly host and be placed on a foursome every week.
- All women who play on Tuesdays will pay a one-time membership fee of \$20.00. Pay to play is our kind request as we have weekly prizes.
- WOW (Women on Wednesdays)- \$2.00 fee to pay before you play every Wednesday.
- International Women's Fun Golf Day, June 1, 2021, marks CGC first time participating in this global event.
- Chester Women's Field Day, July 20
- Golf Fore The Cure, August 10

The Women's Division volunteers commit to making golfing a positive experience at Chester Golf Club.

That's all for now. Thanks to the many women who step up to make women's golf happen positively at CGC.

Respectfully Submitted,

Gail Mitchell
