Dear Member

We are pleased to launch our membership renewal campaign for the 2022 season. As noted in our last email to you, this season the renewal packages are being issued electronically as opposed to the traditional mailout.

We are providing links to several documents, all of which reside on our website under the **NEWS heading** and under the heading **Course/Memberships**. In addition to the regular renewal documents, we have included a PDF fillable version which allows you to complete the forms on your electronic device (PC, laptop, IPAD etc.), which you can save and email to us. Here are the documents and associated links.

New for the 2022 season, for those Members who purchase power cart coupon books or rent power carts, you will notice we have changed the rental process to include a by-the-seat rental as opposed to the full cart rental. This means it will be a bit cheaper for the individual golfer, and much easier for us to manage the fleet and our daily rental activity. For coupon holders, we will continue to honour them for you until your remaining supply is exhausted.

If you prefer to have a printed Member Handbook as opposed to an electronic copy, please see the Pro Shop staff who will have a supply available.

For payment of your membership and any selected services/fees, the following options are available to you:

Online - our website online store is ready for online renewals (www.chestergolfclub.ca), check out the **Online Services** menu and then select **Membership and Services**. From
