

April 27, 2022

Welcome Back!

It's that time of year again, the grass is growing and our staff have been working very hard to get the course in top shape for Opening Day April 28th. We are looking forward to having our loyal members and guest's back to our special property at the CGC.

We have a few things we would like to make everyone aware of. This year we would like everyone that is using a power cart to check in at the Proshop counter and give either your cart tickets or pay for your car seat. You will receive a receipt that you can bring down to Bruce and his crew downstairs to receive your Key.

While in the Proshop remember that as members at the CGC you receive an automatic 10% off all merchandise. We also have a sale rack with some great bargains, make sure to have a look before they are all gone. Dan has stocked the shop with some great new must have items as well.

Golf Operation Hours & Lessons

The restaurant is now open full time, please take a look at the hours of operation below. If there are any changes to the posted hours during the season, you will be notified. We want these hours established so you know when we are open and closed so you can plan accordingly. Our first few nights open for members went very well and it was great to see many members take advantage of us opening early.

We will be updating the menu as we go and you will receive updates when we do.

The Club House Restaurant Hours & Menu

Lots of great things happening at the CGC, and we are more than excited to have our members back.

See you all very soon,

Team CGC
