

Match Committee Report

We are nearing the end of the club tournament season with the closing member scramble on September 18th being the final event.

Numbers of participants have been down this year in most club events. Possibly due to lifting of Covid travel restrictions.

The Club Championship had a hot & sunny weekend. The Nachos were enjoyed by the finishing players on Saturday and the Dormie headcovers were a hit with the winners. Thank you to Alex, Dan & Jake for organizing a great weekend.

We hope to have a full slate of events for the 2023 season.
